Smart English A2 Unit 5D p47

✓ Writing a review

- 1. After you have completed the writing section on page 47, read someone else's story and make notes on things you like and don't like about it.**
- 2. Read this review of the story on page 47.**

The dancing ghost is a scary story about a girl alone in her house on a dark, rainy night on Friday 13th. We all know that bad things happen on this day!

The first part of the story was very frightening, but the ending was so disappointing. I was surprised, but not in a good way.

This story is not very good, to be honest! It needs a better ending.

- 3. Now write a review of your partner's story. Try to follow the way the example is organised.**
